

A Piece of Pie by Kristine Clemens

It just kind of happened randomly one day that a group of All Saints youth and I thought it would be a neat thing to show up at youth's houses with pie to eat together. What started out as what we thought would be a one-time thing has stemmed into something much bigger and something so much fun. On different nights we gather with a pie (sometimes homemade, sometimes from Bakers Square) and caravan to a All Saint's members house. It has been a time of looking at people's wedding albums, watching home videos, playing games with one another, singing and more. The greatest part is the fellowship and how the love of Christ is being spread throughout the evenings with laughter, friends—and of course—pie.

Keep an eye out for a group of All Saints youth to show up with a piece of pie at your front door and to hopefully bring a glimmer of joy to your day. You may also receive a "I got pied by the All Saints Youth Group" t-shirt.

What a blessing it is to serve the Lord here at All Saints!
